CITY OF PRESQUE ISLE

Departmental Vision Statements

Airport

It is the vision of the Northern Maine Regional Airport (PQI) to embark on a path of long term sustainable growth in revenues, aircraft operations, and aviation services. This growth will be managed in such a way as to reduce the dependence of PQI on the local and county taxpayer.

Finance Department

The Finance Department will assure the effective management and financial integrity of the City of Presque Isle by developing, implementing and monitoring City policies, using the latest computer technology and following generally accepted accounting principles in the areas of budget administration, accounting and internal controls. We are committed to reaching our maximum potential by centralizing our department and by having a fully trained, cross trained and motivated staff to provide the most personalized and efficient quality of service to the citizens of Presque Isle.

Presque Isle Fire Department

The Presque Isle Fire Department will provide to the citizens of Presque Isle a highly trained and equipped staff of professional responders. Presque Isle Fire Department is completely dedicated to providing life and property protection through fire suppression, prevention, education, and inspection. We will continually be committed to being a leader in the fire service.

The Forum

With the support of its patrons and staff, The Forum will continue to expand and improve the quantity and quality of its business and event programming to create a constantly increasing demand for use, space and services to the point of needing a larger facility.

General Government-City Manager

The City Manager's office shall promote effective City Council, department heads, staff and citizen involvement in the City's current need and future plans. It shall provide the overall guidance and direction to the City Council to insure that they have the needed information and resources to make informed decisions for a regional service center community in providing the highest quality of municipal services and developing a long range vision for the community.

Mark and Emily Turner Memorial Library

The Mark and Emily Turner Memorial Library will be a model of public access to information and a place in our community that provides a comfortable, welcoming atmosphere for all citizens to pursue their educational, recreational and cultural interests.

Planning and Development Department

The Planning and Development Department will direct and coordinate a planning and development process that engages residents and stakeholders; identifies appropriate goals and objectives, assesses community planning and development opportunities, preserves and enhances our city's unique character, heritage and addresses issues of importance to residents and stakeholders.

Presque Isle Police Department

It is the vision of the Presque Isle Police Department to create an atmosphere of partnership with the community toward a common goal of protecting life and property

and enhancing the overall quality of life through mutual trust and respect and the fair equitable enforcement of law while carefully safeguarding the dignity of all we serve.

Presque Isle Public Works

To be the leader in public works services and innovative programs in Aroostook County and Northern Maine; and to continue to set the standard for service to our citizens and those who visit our community.

Recreation and Parks Department

The Presque Isle Recreation and Parks Department strives to provide the citizens of Presque Isle with programs, facilities and opportunities that encourage healthy lifestyles and foster a sense of community now and in the future.

Resource Management

Deliver a comprehensive array of integrated functions and services that provide guidance and support for the City's various departments while developing and maintaining culturally competent expertise and authority for administering the Resource Management functions.

Solid Waste Department

The Solid Waste Department will meet the current and future need of its citizens by providing cost-effective handling of the solid waste generated by the residents of Presque Isle and neighboring communities. Handling of the City's solid waste will be done in an environmentally friendly manner to include landfill disposal, recycling, composting, and the reduction of toxics in the waste stream.
